

ALITA RENÉE HOLLY

SOCIAL MEDIA MARKETING STRATEGIST

Proactive Implementation Strategies / Creative Leadership / Delivering Results

Veteran digital entertainment industry executive, with astute market awareness, substantial industry contacts and keen market instincts seeks position that will draw on talents and allow for growth. Highly motivated, experienced and focused, with proven track record developing exceptional, award-winning and innovative content for mobile, broadband, DVD and DVD-ROM. Well-versed in multimedia entertainment product development from conception to successful conclusions. Exceptional at breaking down strategies into tactical plans and processes to achieve aggressive business goals (ROI). Exhibits excellent written and verbal communication skills with an aptitude for highly persuasive and effective presentations to decision makers. Established ability to lead cross-departmental teams to achieve project objectives and meet tight deadlines. Employs a collaborative management style, as well as proactive and inventive approach to problem-solving. Proven faculty for resourceful thinking that generates win-win outcomes and builds strategic alliances. Particularly effective at negotiating and collaborating with various stakeholders to produce win-win solutions. Superior grasp of technical as well as creative aspects of production.

CORE LEADERSHIP COMPETENCIES:

- Content Management Solutions
- Budget Planning & Management
- Strategic Planning & Execution
- Global Branding & Marketing
- Digital Content Production
- Digital Media Technologies
- Cost Reductions & Profit Growth
- Cross-platform Content Development
- Product Development & Launch

RECENT CLIENTS & PROJECTS

The Criterion Collection: *Publisher of Special Editions of Films on DVD & Blu-ray*

- Developed comprehensive online marketing and merchandising plan for redesign of criterion.com including video, CMS, interactive community features, mobile marketing and direct to consumer ecommerce functionality for DVDs and VOD.
- Established Twitter presence: @CRITERION & developed strategy that grew follower base from 0 to 15K+
- Leveraged Twitter and Friendfeed to expand Facebook activity (follower base grew by 20K+)

Free the Hikers: *Campaign to Gain the Release of 3 US Hikers Being Held in Evin Prison*

Developed and oversee comprehensive online campaign to inform, engage and enlist supporters. Hubs of activity include:

- Created their official website, a highly customized, self-hosted WordPress installation with multiple plugins.
- Expanded online activity by adding supporters blog with community feature, allowing members to post.
- Facebook Fan Page (15K+ members) and Group (7K+ members)
- Twitter: @FREEtheHikers YouTube: FREEtheHikers Flickr: FREEtheHikers

Omelet LA: *Interactive Advertising Agency*

Serving as an on-site consultant, I oversaw the development and production of four interactive websites:

- Crash Village: A social networking flash minisite for *Crash[®] of the Titans* game, with widget.
- Spyro's Lair: A tween social networking, games flash minisite and widget for *The Legend of Spyro[™]*.
- Prototype Online: Flash companion microsite to promote *Prototype[™]*, a game for young adults.
- Code Monkeys: A companion site & widget for G4 television show, *Code Monkeys*.

Organa, L.L.C.: *Publisher of films on DVD*

- Developed and launched a dynamic database-driven PHP/MySQL website to sell DVD titles directly to consumers, using a highly customized Zen Cart[™] solution: The Organa Boutique
- Launched YouTube Channel and Facebook Fan Page
- Reconstructed film from original FCP project, restored archival footage & authored DVD: *Brush with Life*.

Lhasa Happy Homes Rescue: *Small Breed Dog Rescue in Greater Los Angeles Area*

- Produced and launched MySpace presence for Lhasa Happy Homes Rescue
- Created presence for Lhasa Happy Homes in "Causes" application on Facebook

PROFESSIONAL EXPERIENCE

Digital Media Marketing Solutions Consultant, Los Angeles, CA

2006 – Present

Provide comprehensive digital media solutions for entertainment industry clients. Specialize in digital content development, marketing & merchandising strategies, including video, mobile, content management (CMS), interactive community features, social networking, search engine strategies (SEM) and (SEO), e-commerce, viral marketing, widgets and games.

Lotus Interworks / Alacre, Los Angeles, CA / New Delhi, India

2005 – 2006

Vice-President, Content Production & Creative Development

Mobile content solutions provider for various entertainment brands.

Directed all production and product development activities, including UI design, engineering, web marketing, project management and platform development. Devised strategic plan to improve profitability, quality, costs management and

delivery performance. Oversaw all marketing policies, objectives, initiatives and competitive strategies for new and existing business. Managed all phases of the project lifecycle, including data gathering, design, development, testing, training and deployment of business solutions. Oversaw multiple simultaneous cross-carrier, multi-handset WAP and mobile application development projects. Managed over 45 direct/indirect employees in the U.S. and India.

Selected Highlights:

- Increased productivity for outsourcing operations to India by 20% by deploying a company-wide MS project server
- Instituted new risk/change management policies, thus decreasing budgetary overflow resulting from client scope creep
- Implemented new project bidding guidelines for cost assessment, based on variance analysis of the trend in forecast versus previous out-turn costs, thus improving actual margins
- Performed forecast trend analysis to identify potential market opportunities to ensure profitability targets were met
- Identified and executed improvements within sales, quality control and project management through performance measurement and process analysis
- Helped to develop detailed business plan for investment, including sales projections and competitive market analysis

Blink Digital (Ascent Media Group company), Santa Monica, CA

2003 – 2005

Executive Producer

Division specializing in DVD menus, Websites, DVD bonus features (commentaries, EPKs, interactive video, games, etc.)

Selected to establish and lead the launch of DVD creative services division at Ascent. Collaborated with talent and studios to create original programming for multiple DVD releases. Directed division communications, while drawing upon extensive contacts with studios, talent and the press in order to cultivate brand value, enhance industry reputation and increase share of emergent market. Led new business development, contract bidding and negotiation efforts. Implemented systems to improve quality control and project management, increasing productivity and cost efficiency. Executive Produced proof-of-concept, searchable database Website of the Archive of American Television's® video collection, featuring video with synchronized transcripts running as subtitles. Assembled and led strong in-house teams: 5 direct reports; matrix responsibility for staff of 28.

Selected Highlights:

- Secured \$2M+ in contracts within first year; \$3.5M in second; 2005 contracts worth \$10M+.
- Executive produced content for multiple DVD titles, winning 6 industry awards for titles produced during tenure.

Organa West, Los Angeles, CA

2000 – 2003

Executive Producer, DVD Added Value Features

Independent DVD production services vendor for Home Entertainment divisions of Motion Picture Studios.

Produced multiple critically-acclaimed DVD titles. Collaborated with studio executives to drive title-specific media coverage. Wrote press releases for public distribution. Presented on industry panels for DVD marketing and production. Featured in Hollywood Reporter, establishing Organa as pioneer and leader in emerging DVD industry.

Selected Highlights:

- Won multiple contracts to produce high-profile DVDs, by fostering relationships with studios, filmmakers and press.
- Collaborated with marketing, publicity and programming departments to develop and promote new specialty line of special edition DVD products entitled “infinifilm™.”

Columbia Tristar Home Video, Culver City, CA

1998 – 2000

Senior DVD Consultant, Executive Producer

Executive produced multiple projects assigned to outside vendors, ensuring adherence to tight budgets and deadlines.

Developed / advised on marketing strategies, including packaging details, collateral materials for retail and publicity, released through various media and distribution channels, to ensure maximum market impact. Established cooperative relationships with press, talent, agents and related industry insiders to promote brand value. Worked with marketing, sales, publicity and creative services departments to meet marketing objectives and to ensure consistency in product branding. Collaborated with filmmakers and studio executives to develop original programming, strategically designed to enhance the value and appeal of DVD releases.

Selected Highlights:

- Helped establish standards and templates for DVD titles, maximizing efficiency and consumer confidence
- Produced content for multiple DVD titles, winning 8 industry awards for titles produced during tenure
- Worked with publicity department to gain substantial coverage in both trade and consumer press for our titles
